

Quality Improvement Awards and a NEW QI/QA Training Series from CURIS

The Quality Improvement Awards are out! If you have not already seen the results, [view a list of the 2019 recipients here.](#)

Congratulations, to all of our clients and other Health Centers who have been recognized as a high performing health center by receiving these QIA dollars!

At CURIS, we share in the mission of improving overall quality, efficiency, and value of the health care services provided by Health Centers across the nation. Many of our services (including [training workshops or individualized TA services](#)) can be used to optimize your QIA potential for next year, and can even be covered by the QIA dollars you receive this year! Our services are uniquely tailored to the health center environment; we support efforts in practice transformation and in achieving the Quadruple Aim. An extensive list of topics can be found on our website, but may include: CM/CC Development, Data Strategy, PCMH, QI Program Development, and Population Health Strategy Development.

EXCITING NEWS!! NEW QI/QA Training Program

In addition, we have built a brand new program that fits right into your Quality Improvement and Assurance needs! This program is based off of our highly-in-demand 1.5-2 Day Training Workshops. We have created an entire program dedicated to Quality Improvement.

The primary objectives of this program include:

1. Defining your Quality Improvement Program beyond compliance and UDS
2. FQHC Compliance 101 for new QI staff
3. Strategies to engage staff, leadership and Board of Directors
4. Utilization of qualitative and quantitative data to drive health center performance
5. Creating an interdisciplinary approach to quality

HAPPY LABOR DAY!!

CURIS offices are closed on September 2nd in observance of Labor Day.

Did you see the latest updates to NCQA's PCMH 2017?

NCQA has released updated PCMH Standards and Guidelines. The 2020 Annual Reporting Requirements have changed

within your health center

significantly!

This program can be held by more than one PCA, HCCN, or Health Center, and combined in a central location of your choice. Collaborate with one of your nearby health center friends to implement this important training while saving in cost.

Do not worry!
We can assist with your transformation, training, or performance assessment, and much more....

The training package includes:

- Pre-workshop calls with the consultant to prep for training
- Onsite training
- Take home tools to use at your health center
- Post training calls for Q&A
- Additional one on one coaching calls
- Optional review of materials as needed by consultant

Interested in this program? [Email us](#) for a quote and/or more details.

We look forward to hearing from you this month.
Have a great September!
